

# The "Sweatshirt" Club

Do you ever find yourself scrolling through one of our many sites, whether it be our YouTube, our Twitter, or one of our website pages, and notice all the pictures of our crew and awesome homeowners wearing the Ask The Pool Guy sweatshirts and wonder how you could get one? The famous sweatshirt is gifted to those who stand out with their exceptional love and or knowledge of pools, their devotion to the pool company, and their awesomeness as a customer or team member.

The whole pool team is equipped with pool guy sweatshirts and also some of our best customers and friends are too. To get one we must see that you share our visions and you click with us (or just ask...that works too!)

Once you do, we'd love it if you would share your photo with us so we can add you to the club!
